

# Acsys ECL Lock

Product ID: ECL

The Acsys ECL Lock is designed to easily fit into certain transmission cabinet models offered by leading telecom manufacturers. The lock contains programmable logic to control access of up to 1 million keys and top grade encryption standards. Those electronic features are complemented by a variety of mechanical anti-theft measures. The lock is compatible with Acsys trademark CGS+ and all other Acsys solutions.

General	
Dimensions	55.3 x 32mm
